Year 5 – Year 6

English Language Support - Suitable for EAL students and beginners in English needing a boost to help support their learning.

Ultimate Frisbee – This club will teach the rules and gameplay of ultimate frisbee, one of the fastest growing competitive sports in the world.

Abstract Drama Club - Our newest ECA outside provider is Abstract Kids. These talented teachers offer unique drama workshops to help build student confidence and creativity.

Piano – Our Piano classes have reduced class sizes this year to offer more suitability for beginner and advanced musicians.

Comic Club - Create your own comic strip, manga or famous book while developing characters, styles and storylines. Also practiced in this club are colouring techniques for different styles of comics.

Robots and Programming – Located in our Robotics lab, this robotics club will utilize VEX IQ Robotics and Programming.

Handicraft Club - Leading students who enjoy crafts to create handmade items, such as beading, braiding and knitting.

Piano – Our Piano classes have reduced class sizes this year to offer more suitability for beginner and advanced musicians.

Eco Club – Our established Eco Club drives our the eco friendly environment in our school through organizing different outings and valuable awareness.

Graphic Design - Students who will be introduced to Graphic design will learn design principles; explore color theory, typography, and composition in a fun and interactive way. Students will be using beginner-friendly software that will enhance their creativity as well as technical skills.

Touch Rugby – Join our touch rugby club to learn more about the sport, improve skills, strategy and team play.

Drama Club - Our drama club offers students the opportunity to take on new roles, build confidence and work to develop fun and playful skits.
